

The collection of digital magazines available to Cochise County library patrons via [RBDigital](#) (formerly Zinio) will be changing in October 2018. While some subscriptions will be eliminated, patrons will still have access to more than 200 digital magazines.

The collection is offered statewide with support from the Arizona State Library, Archives, and Public Records. Rising subscription costs have made it necessary to discontinue the following titles, which had modest circulation:

<i>American Girl Magazine</i> <i>Billboard Magazine</i> <i>Brides</i> <i>Climbing</i> <i>Cocina Fácil</i> <i>Creative Nonfiction</i> <i>Cycle World</i> <i>Deer & Deer Hunting</i> <i>Earth Island Journal</i> <i>Entrepreneur Magazine</i> <i>Epicure</i> <i>Farm and Ranch Living</i> <i>Field & Stream</i> <i>Games</i> <i>Glamour</i> <i>Golf Digest</i> <i>Guitar Player</i> <i>Harper's Bazaar</i> <i>Hello</i> <i>High Five</i> <i>Highlights for Children</i>	<i>Horse & Rider</i> <i>Inked</i> <i>Kayak Session Magazine</i> <i>Latino Leaders</i> <i>Marie Claire</i> <i>Minecraft World Magazine</i> <i>Modern Fishing</i> <i>Mountain Bike Rider</i> <i>Outdoor Life</i> <i>Oxygen</i> <i>PC Gamer (US Edition)</i> <i>Poets & Writers Magazine</i> <i>Seventeen</i> <i>Skin Deep Tattoo Magazine</i> <i>SkyNews</i> <i>Trail Running</i> <i>Triathlete</i> <i>Vanidades - Mexico</i> <i>Vogue</i> <i>Web Designer</i> <i>Wine Spectator</i>

The Yavapai County Library District is helping to minimize the impact by providing subscriptions for several of the affected titles, which will still be available after October 1:

- Entrepreneur Magazine*
- Epicure*
- Field & Stream*
- Games*
- Inked*
- Minecraft World Magazine*
- Outdoor Life*
- Skin Deep Tattoo Magazine*
- Web Designer*
- Wine Spectator*
